SANTA EMA 60/40 BARREL RESERVE CABERNET SAUVIGNON/ CARMENÈRE 2021

Sustainable, DO Valle del Maipo, Chile 34606 (XD) 750 mL \$17.95

This new member of the Santa Ema portfolio offers excellent value for money – one of the best in this range. It's a very good addition full of juicy red fruits, smooth texture, and precise acidity to refresh the flavors. The warmth of the alcohol adds creaminess, and the finish is fresh and lively. Think of this wine for burgers or pizza night. Fruit and more enchanting fruit. [Drink through 2026+.] Score: 91 (Patricio Tapia, guiadescorchados.cl, 2023)

Clay Shannon: Shepherd of fortune

Clay Shannon of Shannon Family of Wines has been steering the American wine industry into becoming a force for good.

LCBO SPIRIT OF SUSTAINABILITY

At LCBO, we're focused on building a more sustainable future through an initiative called Spirit of Sustainability. To learn more about SoS and see some of our initiatives, visit LCBO.com/sustainability.

Farming is difficult. Anyone who has worked in the agriculture industry won't hesitate to tell you all the trials and tribulations of working on a farm. Technology and innovation have alleviated some of the difficulties, yet some farmers go the extra mile by using earth-friendly, traditional practices. Why?

"I want to make a freakin' difference!" says Clay Shannon of Shannon Family of Wines. Since 1996, Clay has been resourceful when it comes to keeping his earth-friendly vision alive.

His practices are steeped in tradition, including eliminating pesticides and instead using sheep to control pests and weeds; planting grape varieties that require less water; using lighter bottles to reduce glass waste; composting all organic waste for mulch; and even using 100% sustainable farming tools. This idea has come to life with Project Ovis: a transformation of 1,000 acres of land into an entirely regenerative organic farming system.

The wines of the ambitious project are not only earth-friendly, but food-friendly as well. The dense, creamy Clay Shannon El Coyote Chardonnay 2021 offers aromas of Fuji apple, lemon compote, and vanilla extract that will elevate a salmon-and-avocado salad or grilled cod.

With the ongoing climate crisis, organic and sustainable farming has become an increasingly necessary practice to help stabilize the surrounding environment. But it's not just helping the environment that drives Clay's passion, it's also supporting the local community with food drives, donating to local charities, and providing optimal working conditions and compensation for his employees.

CLAY SHANNON EL COYOTE CHARDONNAY 2021

Sustainable, Lake County, California

A well-rounded Chardonnay, this shows good fruit concentration and intensity of aromas and flavors. Enjoy notes of Meyer lemon, orange zest, citrus blossom, lime leaf, white peach and nectarine, along with a hint [of] flint and wet stone. The mouthfeel is soft, almost rounded but for a slight phenolic grip that adds textural interest. Score: **90** (Stacy Briscoe, *Wine Enthusiast*, May 1, 2023)

MAKING SPARKLING MEMORIES

Whether the occasion's formal or casual, carefully planned or completely impromptu, sparkling wines make it seriously special.

Sparkling wines are buoyant and upbeat and never fail to introduce a sense of occasion whenever they're opened. These four expertly crafted, finely tuned Ontario wines were made with passion and are ready to play their part in making your special occasions sparkle.

LOCAL TALENT

TRADITIONAL METHOD

THE SERIOUS

Traditional-method sparklers were made famous in Champagne, where the process was perfected. Following the production of a dry base wine, the wine is bottled along with additional yeast and sugar to trigger a second fermentation that creates the bubbles. This wine then ages on the lees, often for years, adding richness and suggestions of fresh bread alongside the fruit.

THE SPECIAL

"This summer, we had an impromptu dinner when friends who were heading home from vacation found themselves stuck in Toronto-bound QEW traffic on a Sunday afternoon," says **Peller** winemaker Katie Dickieson. "They stopped in for a few hours to take a break and miss the

worst of it. What started as a simple afternoon at home ended up turning into a great reunion evening with friends we hadn't seen in ages accompanied by BBQ and rosé bubblies. It was completely spontaneous and a highlight of summer 2023."

CHARMAT METHOD

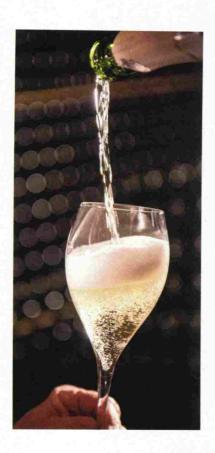

THE SERIOUS

The Charmat method also begins with the creation of a dry base wine. This base wine is then placed in a stainless-steel tank along with the sugar and yeast required for the second fermentation and the wine is bottled under pressure. Less time-consuming than the traditional method, the Charmat method encourages wines that emphasize the most delicate of fruit flavours rather than rich autolytic notes characteristic of the traditional method.

THE SPECIAL

"This Thanksgiving, we were fortunate to enjoy a pig roast with all the accoutrements, perfectly paired with our 2021 Sparkling Twisted," says Ed Madronich, Flat Rock Cellars president. "And we did so while watching the beautiful Chardonnay from our ongoing harvest being brought into the winery. Combining harvest, family and wine around the dinner table was truly a memorable experience, and the Sparkling Twisted was a big part of making it perfect."

"It's become a new tradition in our household to serve guests a glass of Twenty Bees Sparkling within moments of them stepping through our door," says **Twenty Bees** winemaker Scott McGregor, "and this upcoming holiday season will be no exception. Everyone loves this incredibly

bright, fresh sparkler. We harvest the Riesling grapes destined for this sparkling early, with slightly lower Brix and higher acidity, to get that outstanding crispness you find in this wine."

"For Italians, panettone is as synonymous with Christmas as candy canes are for Canadians," says Gian Paolo Raviele, president of **Vieni Estates.** "Having found a new home in Canada many years ago, enjoying panettone throughout the Christmas season with family and friends has become an irreplaceable tradition. I recall one evening pairing panettone containing raisins and dried fruits with our dry sparkling Riesling. It was a magical pairing, a joyful celebration, and a moment I hold dear."

MILDIANI SEMI-SWEET RED KINDZMARAULI 2020

Kakheti

(Tsinandali Old Cellar)

This is an off-dry red based on Georgia's saperavi grape. It has a generous, soft and ripe nose of plummy, raspberry fruit, lilac and white chocolate. Very pretty. And it is very smooth, semi-sweet and polished. It is really very well made and balanced with fine tannin. The length is very good as well. Chill a bit and consider for mellow, after dinner situations lightly chilled. Tasted March 2023. Score: 89 (David Lawrason, winealign.com)
