LET THERE BE LIGHT

'Tis the season for resolutions, and if yours include lightening up in one way or another, wines with less alcohol are an easy part of the solution. These three favourites from the Essentials Collection all ring in at under 8.5% alcohol by volume without sacrificing body or flavour. Cheers to that!

EVENTS

CHECK OUT A VINTAGES EVENT

Throughout the year, we host fun and informative tastings where you can sample from a selection of wines or spirits and meet industry representatives. Our events offer something for everyone:

- **Walk-around tastings** are large, relaxed events where guests visit different stations at their own pace and sample a range of wines or spirits alongside gourmet finger food.
- **Winemaker dinners** are held at top restaurants and feature wines from iconic wineries and a multi-course meal. A special guest (often the winemaker) presents the wines.
- **In-store tastings** are held at the tasting bars in many of our larger stores. These free tastings feature wines from the bi-weekly Vintages releases.

Visit our Events hub at [LCBO.com/events](https://www.lcbo.com/events) to see the current lineup and check back often for new additions.

MEET OUR EXPERTS

NEW WORLD WINES

Elena Delli Pizzi

“To me, wine means family. Many of my earliest memories are of my Italian-immigrant parents and grandparents crushing grapes in the garage, working together on their homemade wine. I've been lucky to experience a range of wines from all over the world and have completed WSET's Level 2 Award in Wines. I'm always inspired by the history of the wineries we work with, most of which are family-driven as well.”

Claudia Speciale

“I love how every wine has a story and how wine can bring people together. From dinners to casual drinks on a patio, a glass of wine helps curate intimate conversations and experiences with our favourite people. After business school, I followed my passion for wine, which led me to the LCBO in 2015 and WSET's Level 3 Award in Wines.”

Marc Staples

“Wine and food go hand in hand, and I love being able to find something new, delicious, and sometimes surprising to go with what I create in the kitchen. I achieved my WSET diploma in 2003 and have been an educator ever since, for the trade and for the wine-loving public, both formally and informally. Finding great wines at an affordable price is my passion.”

ONTARIO WINES

Dana Pencz

“My buying career led me to the exciting world of wine. I love how wine can be a source of pride and heritage. My Hungarian father would often proudly talk about Tokaji at the dinner table. As we shared a bottle, he reminisced about growing up in Hungary. I achieved my WSET Level 2 Award in Wines and am currently studying for my Level 3 certification.”

EUROPEAN WINES

Madison Pearce

“I've always had a passion for travelling and have been to 24 countries, including Italy where I lived for a summer. I've been the buyer for Italian wines at the LCBO since 2022. I love cooking and hosting wine-and-food evenings for friends and family. Currently, I'm studying for WSET Level 3 certification and I have master's degrees in strategic marketing and marketing intelligence.”

Liam Salichuk

“A decade of experience in the beverage alcohol industry and a huge appreciation for Ontario craft beer complements my passion for our diverse wine market. I love having friends over for dinner, and there's something special about picking the perfect wine to make the meal even more enjoyable. I've always advocated for finding great-value wines to pair with every occasion.”

Julie Hauser

“Wine is a wonderful way to connect with people and places. I love the experience of discovery and how the unique combination of aromas and flavours can create a sensory journey. I'm a certified sommelier and love finding delicious wines that can be explored and shared.”

Lisa Chapman

“I've spent over 20 years with the buying team and eight years as the French buyer. I've had the honour to work on the Bordeaux Futures campaign for the last decade, getting a first glimpse of the quality of each new vintage. My passion expands into hosting; I love serving French wine with food and sharing all the fantastic regions and varieties of this iconic wine country.”
