## Wines from the great Bordelais houses and their legendary 2005 vintage.

The Union des Grands Crus de Bordeaux, or the UGC, as it is known, is an alliance showcasing many of the top Bordeaux estates. It sets rigid standards regarding the overall quality of the vineyards, production facilities and winemaking techniques.

VINTAGES has acquired a selection of wines from UGC members featuring the brilliant 2005 vintage, many at original Futures prices. Some wines were not part of our initial 2005 Bordeaux Futures offer such as Bastor-Lamontagne, Latour-Martillac. Other wines represent additional lots of Futures products that had sold out quickly from our initial offer. Please note: these additional lots are available in limited quantities and are priced at current market value. These include: Léoville-Barton, Léoville Poyferré, Lynch-Bages, Clerc-Milon, Pontet-Canet, Phélan-Ségur, Doisy-Daëne and Suduiraut and more.

**This offer ends on February 8<sup>th</sup>.** Order today, as these wines will certainly increase in price after the Futures program closes.

Some choice wines are still available from VINTAGES' initial 2005 Bordeaux Futures offer. For the most up-to-date product listing of 750 mL and 375 mL sizes, [click here](#). For large format (1500 mL and above), [click here](#). Please note: the deadline for ordering from the Futures program is 5 pm, February 8<sup>th</sup>.

Quantities are extremely limited, so don't delay, order today!

**All 750 and 375 mL bottles must be purchased in three-bottle lots; larger formats may be purchased as individual items.**
