# OUR BUYERS

## NEW WORLD WINES

### Elena Delli Pizzi “

To me, wine means family. Many of my earliest memories are of my Italian-immigrant parents and grandparents crushing grapes in the garage, working together on their homemade wine. I've been lucky to experience a range of wines from all over the world and have completed the WSET Level 3 Award in Wines.”

### Genna Gingerich “

Over the last decade, I've curated my best picks as a buyer for Canada's top gourmet food and gifting retailers. I think a lot about where wine comes from, who made it, how, and why it costs what it costs. I hope my picks inspire your confidence, earn your trust, and cause celebration!”

### Sean Adams “

Years ago, my family took me on a winery trip to Niagara. I was amazed at the brilliant wines we're lucky to have growing right here in our own province. As a buyer at LCBO, I feel privileged to be bringing Ontario's best to you. I have my WSET Level 3 and Wine Appellations of Ontario certificate.”

## EUROPEAN WINES

### Julie Hauser “

There's something special about how wine connects people, places and stories. I'm drawn to the sense of discovery in every glass. As a certified sommelier with WSET Level 3, I'm always on the hunt for wines that leave a lasting impression.”

### Ginny Demain “

I've spent 15 years growing with LCBO. The past decade has been dedicated to wine – five years as a Product Consultant and three as a buyer. As a certified sommelier, I believe wine should be easy to love, easy to share, and never too serious.”

### Kristy Petra “

I enjoy exploring different wine styles and uncovering 'my flavours' one sip at a time. I believe wine should be accessible and enjoyable for all. Having completed the WSET Level 3 Award, I'm excited to expand my knowledge and curate products customers will enjoy.”

### Sean Ormsby “

Wine has been my passion ever since I began my career in wine sales three decades ago. Having achieved my WSET Level 4 Diploma, I continue learning through tasting, researching and travel. My favourite way to enjoy wine is matching it with good food and good friends.”

SAVVY-PRICED BAROLO

Kristy “

This Barolo is your Nebbi-YOLO moment this summer! It drinks like a far pricier bottle without skimping out on the style's rich character. Red cherry, rose petal and dried herbs, with polished tannins and a complex, satisfying finish. (No one will believe what you paid!)”

This value-priced, whimsical easy-drinker is sustainable, fair trade, and showcases community values in practice. # Gimme Some Skin

Want a summer sipper with a twist? Orange wines are made from white grapes but vinified like reds, with prolonged skin and lees contact during fermentation. This approach unlocks layers of depth and character you don't find in your average white wine. Plus, a brassy orange or amber hue. The extended skin contact (and the wild yeast used in many orange wines) imparts flavours of dried stone fruit, citrus peel, honey, tea and spice. With the brightness of a white wine and the structure of a red, orange wine is uniquely food-friendly and pairs with grilled seafood, pulled pork, mushroom burgers, falafel and hummus. Or try it with *Food & Drink's* new Seven-Layer Dip recipe. Find the recipe and many more at [lcbo.com/vintagesfdrecipes](https://www.lcbo.com/vintagesfdrecipes)

# ONTARIO, THE HOME OF CHARDONNAY

Chardonnay is the most popular white wine in the world, and when produced in regions and vineyards that suit the variety perfectly, can reveal a sense of place with an ethereal, dynamic, stunning accuracy. Winemakers in Niagara and Prince Edward County are crafting Chardonnays that rank among the finest anywhere. Here are four premium-quality examples from our own backyard that will make impressive additions to your summer dining.

The soils of Prince Edward County have a high limestone content and a shallow topsoil layer. These limestone-rich soils impact the tension, acidity, ageability and mineral character of the wines. PEC Chardonnays are often described as being reminiscent of Chablis and are crafted to reflect a Burgundian sensibility; High praise for these singular expressions. **Volta Amphora Knotty Vines Vineyard Chardonnay 2024** is fermented and aged in clay amphorae. These neutral vessels allow the wine to soften and develop a round texture similar to what's achieved with oak, but without acquiring any oak influence.

Breezes off Lake Ontario cool the Niagara Peninsula during the summer and help reduce the risk of frost during the winter. A wide range of soils including clay, sand, silty loam and limestone, combined with the area's differing elevations, permit many grape varieties to flourish here, but the region is particularly suited to Chardonnay, Riesling, Pinot Noir and Cabernet Franc. **Domaine Queylus Tradition Chardonnay 2024** is sourced from the Lincoln Lakeshore sub-appellation; an area defined by the long shallow slope of the ancient glacial lakebed now known as the Lake Iroquois Plain. Complex, elegant and fruity, this wine reveals the distinct finesse and precision of Lincoln Lakeshore with an easy grace.

Vinemount Ridge is gaining increased attention as wines such as the **Westcott Reserve Chardonnay 2024** continue to raise the bar in this Niagara Peninsula sub-appellation. Situated at the western edge of Niagara wine country and just above the Niagara Escarpment, Vinemount Ridge receives no direct lake influence and so is warmer than other areas. But altitude, prevailing winds, and cool nights allow the grapes to maintain their superb acidity as they ripen, encouraging wines of exciting aromatic complexity. This wine saw a total of 14 months in oak, and yet the regional influence here creates a wine of such balance that it possesses an almost weightless character.

The four wines featured here will all be poured, alongside many of the world's finest Chardonnays, at this year's **International Cool Climate Chardonnay Celebration (i4C)** in Niagara July 16-19. Visit [coolchardonnay.org](http://coolchardonnay.org) for details.

**Cloudsley Twenty Mile Bench Chardonnay 2024** is sourced from the Foxcroft and Wingfield vineyards in the Twenty Mile Bench; an area of gently rolling hills comprising a complex assortment of shale, limestone and clay soils. The region's undulating topography creates opportunities for winemakers to exploit the unique, varying sun exposures and micro-climates created by the slopes and valleys. This means that grapes sourced from different vineyards, or even different parts of the same vineyard, can reflect varying degrees of complexity, freshness, intricate aromatics and sharply defined minerality, allowing winemakers to accentuate particular aspects from each site in the final blend.

Though the name may suggest a sparkling wine, this Blanc de Blancs is a still table wine comprising Chardonnay, Sauvignon Blanc and Semillon. The Chardonnay was fermented in oak and then oak-aged for two months before being blended with the other varieties. The result is a textured, elegant, rich wine, with tangy citrus, pear, peach, apple, and delicate oak spice. Chill and enjoy with seafood.

LANZADO ORGANIC  
ORANGE WINE 2024

Spain, sustainable, vegan  
This opens with a medicinal note, hints of grapefruit and an intriguing complexity. The palate is straightforward, medium- to full-bodied, featuring phenolic tension and a rich finish. From organically grown grapes. Vegan. Drink now. Score: **88** (Jacob Garcia-Andrade Llamas, *jamesuckling.com*, May 16, 2025)

PORTUGAL - RED WINE

**LUA CHEIA RED 2022**

(Saven)

A bold, smoky wine with rich tannins and juicy blackberry flavors. The wine's black coffee aroma and structure are well developed, ripe and solid. Drink from 2026. Best Buy. Score: **88** (Roger Voss, *Wine Enthusiast*, Sept. 1, 2025)

**GARCJARÉVALO FINCA TRESOLMOS  
LIAS VERDEJO 2024**  
DO Rueda

Made from organically grown grapes, this lovely verdejo delivers very attractive aromas and flavours dominated by soft stone fruit, notably peaches and nectarines. The acid clicks in effectively to refreshing the fruit, even though there's a slightly viscous note in the texture. Overall, it's an excellent choice for drinking on its own or taking to the table. Drink now through to late 2027 to enjoy its freshness. (Tasted February 2026.) Score: **90** (Rod Phillips)

**CONDE VALDEMAR  
GRAN RESERVA 2017**  
DOCa Rioja

The 2017 vintage suffered a terrible frost, but what grapes survived were of high quality, if not quite concentrated. The 2017 Conde Valdemar Gran Reserva shows this big concentration of black fruit, black licorice, and underlying balsamic tones as well as a balance between the fruit and oak, resulting in a medium-bodied style of complexity. Still a baby, it's drinking well and will benefit from further aging, with an ideal drinking window of 2027-2037. [Decant for one hour to enjoy it tonight.] Score: **95** (Virginie Boone, *jebdunnuck.com*, July 30, 2025)

**SAN ALEJANDRO QUERENCIA DESEYA ORGANIC VIEJA GARNACHA 2022**  
DO Calatayud, vegan

This is pale, aromatic, floral, elegant and pretty, with tons of rose petals and an ethereal palate with ultra fine tannins. This is an awesome wine and value. However, this is still a very small volume; I hope they have the chance to grow, because this will be a wine to buy by the case. If this new wine shows the new direction of the winery, I'm very happy. Drink date: 2024-2028. Score: **92** (Luis Gutiérrez, robertparker.com, May 31, 2023)

**SPAIN - ROSÉ WINE**

**CUNE LA BAILARINA ROSÉ 2024**

DOCa Rioja, vegan  
A blend of Viura, Tempranillo and Garnacha that (if you'll pardon the pun) simply dances across the palate. Sourced from vines averaging 8-20 years of age planted in cool clay soils, it's concentrated and flamboyant with ripe fruit and wildflower notes. Great balance and dexterity. A wonderful summer rosé that will work with or without food. Try it with grilled or fresh veggies.
